Hello

I would like to ask the board members of Yarmouth to **REJECT** the Nicotine BAN.

This new proposed prohibition ban absolutely makes no sense to me. A 21 year old adult can purchase alcohol, smoke marijuana and go to a casino and gamble, but could no longer purchase nicotine? Also when our state already has an extremely strict flavor ban??

WHY are you not going after Marijuana use with 21+ Adults? Have you read all of the new studies regarding smoking Marijuana that was just posted recently?

You're going to BAN a potential 21+ year old from going into a store to purchase nicotine, but can still smoke weed, drink alcohol at a casino while gambling and then get into a car to drive home.

Thank you

Liliana
