Good afternoon,

First, thank you so much for the opportunity to introduce NFG to your Board members last evening. They were very generous with their time on a very busy night with many important items on the agenda. They asked excellent questions, and we look forward to introducing additional subject matter experts to the board, all of whom can provide important information about NFG – history, medical, legal, etc.

Second, attached are the three documents I mentioned last night.

Please let me know if you have any questions or need more information.

Thank you again. We are very happy and grateful we were able to come to Yarmouth and have a chance to speak with you all.

Regards,

Maureen
