DRAFT 10-9-25 Proposed NFG draft changes with edits from Town Counsel.docx; Final NFG Tobacco Hearing Notice 2025.docx; 2x5.5 Town of Dover - BOH Tobacco and Nicotine 10-23-25 (1).pdf; 11-03-25 BOH Meeting - Agenda.docx;

I would like to get this on the agenda as "talking" session. The town of Barnstable would like to go in on this also. It is called the NFG Nicotine Free Generation. I will be getting more info for us. I printed all these out already also

Here are a couple things to get you started: agenda, newspaper publication, hearing notice, and draft regulation. In order to pass it you must: post in the newspaper, have a public hearing, and have a vote (assuming this is a regulation and not a by-law). Also, as you know, I'm not an attorney so be sure to check with your Town Counsel to confirm what process they need you to follow for Yarmouth. I would float it to your Board and boss to start and go from there.
