Hello Members of the Board,

I hope you all had a nice holiday and were able to spend time with loved ones.

Attached to this email is an Excel file that lists all documents, letters, and emails we have received related to the *Nicotine Free Generation* topic. To view the PDF versions of the documents, please click "Enable Editing" in Excel, this will allow you to open the embedded PDFs.

The first sheet of the Excel file (NFG Document List) contains a numbered list of the documents, and the second sheet (PDFs Attached) includes the PDF files themselves that you can view.

I have also attached the January 5 meeting agenda. Packets will be delivered tomorrow.

Please let me know if you have any questions. I look forward to seeing you all at the January meeting.

Happy New Year,

Riley Niederberger
