Our next meeting's agenda includes a presentation and discussion only about NFG. It is not a good time for a vendor from another town to state a counter argument about this issue. Our vendors in Town would be appropriately angry they were not included in the discussion.

If you have not contacted Mr. Perry from The Vape Way, please do not do so at this time. If Mr. Perry has been contacted, thank him for contacting us. Tell him we'll have to see whether the BOH wants to further investigate the idea of NFG in Yarmouth and if the BOH decides to do so, the business community will be included at that time.

Let me know if you have any questions. Thank you.
Hillard
