Just heard Yarmouth is trying to enforce a NO Nicotine ban for adults???

This seems absolutely unreasonable and ridiculous.

The state already has a flavor ban which stops me from purchasing menthol products. Also all the products are grossly overpriced due to the wholesale tax that the state added a few years back.

I now have to drive to RI or NH to get what I want as a LEGAL ADULT. (Which is also pushing money out of the state)

Now you are going to ban ADULTS from purchasing LEGAL products. Why are you not going after alcohol like this?? You telling me kids/adults drinking and driving is NOT AN ISSUE?

Its disgusting the power a small town has over all the residents. This should be decided by the STATE and not a small town.

Thank you
