Hello

To the Board of Health of Yarmouth

I would like to state that this new proposal for a Nicotine Free generation would ultimately **CLOSE** my business "The Vape Way" at 11 Enterprise Rd, Hyannis.

We opened up a 21+ ADULT Store back in 2014 to help the residents of Barnstable find a better alternative to cigarettes.

If this generational ban passes, every year the legal adult age will GO UP! This means my 21+ Adult store will eventually **GO OUT OF BUSINESS**.

I would also like to remind the board that my business "The Vape Way" has NEVER received any fines for selling to underage customers. We already have an extremely strict state ban on NO FLAVORS and a 75% wholesale tax that goes to the state.

Please VOTE NO on this BAN.

Thank you
